# Posts and Districts are encouraged to utilize some form of virtual meeting website/software for meetings during the COVID-19 crisis. The below links may be helpful.

You do need to set up an account with zoom (<u>www.zoom.us</u>). However, it is very easy to do and completely free. You just need to go to their website (<u>www.zoom.us</u>), give them the email address you want to use for the account, confirm that email address when they send you a message, and then set up a password. That's all there is to it. And there is no cost to do it.

You can then get to zoom on your computer going to their website. You can also download the Zoom app for your smartphone (iPhone and android) as well as your tablet or iPad, whichever you feel most comfortable in using.

## COMRADES AND AUXILIARY BROTHERS AND SISTERS;

As the threat and concerns of the Coronavirus (COVID-19) pandemic in Oklahoma and the country continue, I want all to continue to adhere to the State and local guidelines regarding safety precautions. So, I ask you to; be safe, be home, be mindful and continue to be busy.

Don't let the threat take away from you achieving your goals. If anything, these times should force or sway you to alternative thinking. Meaning we can and should achieve some of the same as before but use a different path or method to get there.

At the Headquarters, we have had to cancel or postpone some near dated events due to the statewide quarantine and asked limited movement of personnel. We will continue to provide updates as they come. I know the same has happened within your areas and hope that you continue to update the Headquarters as necessary. The information we disseminate will be vital. We are not shut down. We are just slowed down and have to be patient and deliberate with what we are doing. Learn to use your various mediums (i.e., smartphone, computer or tablet) to process memberships and have meetings. The National Headquarters has given us the opportunity to explore some non-traditional means, "let's make it happen".

Take care of yourselves. But at the same time check on the older (seasoned) Veterans of our organization that may have difficulty adjusting to these times of social isolation. Please check-up on them with probably a simple phone call and ensure they remain in our fight. Helping out by doing a little shopping for them won't hurt either. On that note, don't forget to call our Veterans' centers to see how you can help them also. Show the Veterans in our communities around the state that we all "dare to care".

Lastly, this is a good time to start working on your individual or Post story for the 100th anniversary book. If you recall, I mentioned before that the yellow data cards would be regenerated. The purpose of the cards is not only to ensure you still are at that address, but to inquire if you want to participate and or purchase the book once it's completed. There are no other motives with the card.

"We must remain excited about what we do, let's just be careful at how we do it."

## "ALWAYS A VETERAN, ALWAYS FOR A VETERAN"

Darryl Mabry STATE COMMANDER

## FROM THE SR. VICE COMMANDER

### Comrades,

First of all, I hope this finds you in good health given the COVID-19 pandemic across our state, nation and the world. First and foremost, please make sure that you are taking care of yourselves and each other. Please make every effort to follow the guidelines published not only by this department, but the State and Federal government as well. Every one of you are an essential part of this organization and we cannot afford to lose you.

Every District and Post Commander should have received a snail mail letter from the CinC, Commander Mabry and me concerning the COVID-19 guidelines and ways to seek aid during this time. That information was also sent out via email from State Adjutant Watts. Please utilize all of the information it provides concerning economic relief and ways to conduct meetings electronically. Post Commanders, please communicate to your District Commanders how you plan to continue to hold your meetings, elections and installations. District Commanders, please provide the same for your District to the State HQ as soon as you have it.

Programs. If you have not seen on the Facebook or National pages, the 2020-2021 Voice of Democracy theme is "Is This the Country the Founders Envisioned?" and the Patriot's Pen theme is "What is Patriotism to Me?" We had an amazing turn out this year with almost 2400 Patriot's Pen entries and almost 700 Voice of Democracy entries. I would love to see that number continue to increase. I know that school is closed for the rest of the year, but that does not mean that you still cannot send the information, once it is available, to them so they can plan to get it into their curriculum for next year.

Legislative. With the ongoing crisis, the State Legislature is meeting remotely right now and there has not been a lot of movement on any legislation at this time. Federally, the Tele-Health bill that the VFW backed, passed out of the Senate by unanimous consent and went to the President for his signature into law. We are currently promoting the Maj. Richard Star Act HR5995 which is the first step in the door to completing our mission of concurrent receipt for all retirees. There have been several action alerts already concerning it, and there will be more. Even though this pandemic has slowed a lot of things down, it still takes each and every one of you to contact our federal delegation and let your voice be heard. They are still answering phone calls, letters and emails. Please reach out to them.

Finally, as I said in the beginning, please take care of yourselves and stay healthy. If you have any questions about how to conduct meetings during these difficult times, please, do not hesitate to ask us. We are here to help you. Stay safe out there.

# State Junior Vice Commander Public Affairs Veterans and Military Services Committee Chair *Jim Bassett*

What a month! Lock down and staying home, it's enough to drive someone crazy. Well crazier. I truly hope that everyone is sequestered in their home and not venturing out unless absolutely necessary. Most importantly, stay healthy!

A lot of good information is being passed out. Stay informed on what your VFW is doing! Read the General Orders. Our next major event will be the Department Convention, June 18 to 21 at the Wyndham Gardens.

Nomination time is on us again. Are you looking at fellow members that you think are ready to take on leadership roles? You should be. Talk to them, ask them.

Normally, this is where I begin to let you know about our upcoming events. With the quarantine procedures in place, a lot of events have been canceled. The Oklahoma City Thunder have canceled their season. The Oklahoma City Energy has suspended their season until May 10th and the Oklahoma City Dodgers will have their season but the start date is unknown right now. So the Military Appreciation Nights are unknown for both organizations. As soon as I find out I will get word out. If you have not attended one of these events, you should. They are a lot of fun.

Now is a good time to start planning your end of year recruiting events. I know that members of the Department are more than willing to help on any membership drives. There are several other outstanding recruiters out there to ask. We also offer great opportunities to recruit. Let us know.

While talking about recruiting, what are you doing to retain your members? Do you have someone communicating with them to see how they are doing? Are you talking to them at events and making them feel welcome? Are you challenging them to be active members and egaged on your events?

We are planning a drive for the VFW/Auxiliary Freedom Fest and again at our state convention. The Supreme Military Order of the Cooties has set up an online report of blood donated. If you donate, please submit the information at <u>http://vampire.puptent1.org/</u>.

The blood drives are being sponsored by the Military order of the Cooties Grand of Oklahoma.

Talking to some of the Post and Auxiliary members that participated in the family parties with the Oklahoma National Guard, they seemed to have had fun. Let's see, fun and a chance to recruit? What could be better? I know that I enjoy attending some of these events.

Remember to donate to VMS! If you would like to donate to them, please follow this link. <u>https://vfwprograms.formstack.com/forms/vfw\_programs\_donation</u>

When you're out volunteering for the VFW or Auxiliary, please wear something that identifies you as a VFW or Auxiliary member; it helps increase public awareness. Any time you help a veteran is also a good time to wear something that identifies you as a member of the VFW or Auxiliary. There are some exceptions if you are working with other entities, check with them to find out if you can wear VFW or Auxiliary items.

# FROM THE OKLAHOMA VFW FOUNDATION

**OUR MISSION:** The Oklahoma VFW Foundation, a 501(c)(3) non-profit organization, assists Oklahoma veterans and their families, promotes patriotic programs, provides relief for veterans and veteran support organizations, and provides educational scholarships.

Comrades,

I speak for all members of the Oklahoma VFW Foundation Board of Directors that I hope you are all safe and well during these trying times.

Our Founding Donor program that the Foundation Board approved in February is off and running. We currently have 20 Founding Donors and 3 Founding Sponsors. Our Founding Sponsors include the Dept. of Oklahoma VFW, Curtis "Doc" Bohlman, and the VFW Riders Group – Oklahoma. We are in the process of creating a brochure for these programs, but in its <sup>12</sup>

simplest terms the first 200 donors who donate \$100 will be our Founding Donors and the first 25 donors who donate \$1,000 will be our Founding Sponsors.

One of our 4-Year Board member terms is coming up this summer. If you or someone you know would be interested in serving on the Board of Directors for the Foundation, please drop me a line and I will get more information on this opportunity to you.

Finally, I want to take some time to make sure that we all know we are in this together. That being said, our Foundation is new and thus does not currently have the resources or programs in place to assist with the COVID-19 emergency. And, yes, we want donations. However, we understand that hard decisions have to be made. If you have been impacted financially, take care of yourself before donating to us, or any other cause. If you are looking to help veterans in need, one of the best places to donate to is your own Post's Relief fund. Posts are required to maintain a Relief Fund to help veterans in need. If a Post has a veteran in need contact them and the Post has to turn them away, it is typically because they simply don't have the available funds in their relief funds to provide the assistance. Therefore, although the Oklahoma VFW Foundation does appreciate your donations, we also do not want to be in competition with the VFW and VFW Posts for funds in this time of need. With our 501(c)(3) status, we will continue to pursue funds not available to the VFW and their Posts. If you have a company wanting to donate to you but can't because you are not a 501(c)(3), have them contact us to act as a conduit. In these General Orders is a copy of the letter we will send to that donor to help you receive their funding.

If you want to donate to help veterans in need but can only afford to make one donation, please consider a VFW Post's Relief Fund for your donation in this time of immediate need, after first making sure that Post actually has a way to get funds from that Relief Fund to where they need to go.

We will resume operations once the facilities are allowed to reopen. **All-American Dashboard** Now is a good time to get online and verify all your participation reports to ensure the Posts, Districts and Departments have received all credits. Plenty of training is available online, along with myself to work with anyone at your convenience to ensure credit is awarded

<u>VFW Store, Emblem and Supply</u> In response to the recent "stay at home" order, many employees are working remotely, however, employees can be contacted by email or phone. Orders are being processed and we are shipping stock orders. Many personalized/custom orders are shipped by our vendors, who are operating under their state guidelines, so delays are expected.

<u>Administrative Operations</u> There are currently 39 Posts under suspension, one of which is new. We have processed one Post charter surrender pursuant to Section 210 of the National Bylaws respectively. The organization has 6,135 chartered Posts. Administrative Operations is engaged in 29 Article IX Disciplinary Actions, six administrative actions and five membership eligibility challenges. We have 17 Bylaw/Article of Incorporation submissions in for review, 10 of which are new; current turnaround time on Bylaw/Article of Incorporation submissions is approximately 14 days.

**National Legislative Service** Last week, the VFW-supported <u>S. 3503</u> was passed by Congress and signed into law. The law ensures student veterans aren't financially penalized because the COVID-19 pandemic has caused their schools to move to online classes. VFW Washington Office Executive Director B.J. Lawrence participated in a teleconference with President Donald J. Trump to discuss the bill's enactment into law. Last week, the VFW-supported S. 3444, *Fair Care for Vietnam Veterans Act of 2020* was introduced in the Senate. On Monday, an action alert was launched through the VFW Action Corps urging VFW members and supporters to contact their members of Congress and ask for passage of the *Major Richard Star Act*, which would eliminate the offset between retirement pay and VA disability compensation for veterans who were discharged because of combat wounds. The VFW currently supports <u>118 pieces of legislation</u> pending before the 116th Congress. **Communications and Public Affairs** Answered Associated Press and NPR media queries regarding VA response, communication and care during coronavirus pandemic. Attended the DOD Coronavirus Facebook Live Q&A with Secretary of Defense Mark T. Esper, Chairman of the Joint Chiefs of Staff General Mark A. Milley, and Senior Enlisted Advisor to the Chairman of the Joint Chiefs of Staff Ramón "CZ" Colón-López on March 24.

<u>National Security & Foreign Affairs</u> Daily COVID-19 reports, morning Sitrep and afternoon updates. We have been asked to sign on to a letter of support that would convert National Guard service members from State Active Duty (SAD) orders to Title 32 USC 502(f) orders, which would provide better medical coverage if they contract the coronavirus during their duties to assist communities. Attended Senate Armed Services Committee (SASC) hearing Thursday regarding Army posture during COVID-19 crisis. We are attempting to find out if the president's stimulus package includes DOD funding for service members whose permanent change of station (PCS) orders have been stopped or delayed due to the coronavirus.

**Operations** Continuing to execute protocols within VFW Memorial Building to mitigate the spread of COVID-19, which include reduced/alternate manning, and the disinfecting of surfaces. Closely monitoring veteran unemployment, where the overall rate has increased to 3.6%. The rate for OIF/OEF veterans is at 4.5%. These rates will continue to be impacted by COVID-19 layoffs.

National Veterans Service VFW Washington Office staff participated in a teleconference with Dr. Richard Stone, Executive in Charge for Veterans Health Administration (VHA) to discuss VA's response to the

COVID-19 pandemic. VHA reported that it remains committed to serving veterans first, that the supply chain is strong, and that they have not seen delays in the delivery of prescriptions for veterans. VHA will start to send daily updates to VSOs on VA's COVID response and will look to host weekly calls with VSO leaders to field questions. VFW Executive Director B.J. Lawrence met with VA Undersecretary for Benefits Dr. Richard Lawrence in a teleconference on Tuesday to discuss how VA is responding to COVID-19 to continue to allow veterans to file claims and receive benefits even when they cannot physically visit with advocates or VA Regional Offices. National Veterans Service worked closely with National Legislative Service to craft emergency legislation in consultation with both the House and Senate Veterans' Affairs committees to extend filing deadlines and protect veterans who may not be able to file certain benefit actions with VA during the COVID-19 pandemic. The National Veterans Service team began planning to deliver required service officer training in a digital environment due to the cancelation of the spring Proficiency Training Conference. The NVS training team is building additional modules in the VFW Service Officer online learning portal to deliver key curriculum digitally this spring. NVS staff began the first full week of remote work, with essential staffing at the VFW Washington Office, ensuring that veteran inquiries continued to be answered in a timely manner and that we continue to provide updates and guidance to the VFW's global network of more than 2,100 accredited veterans' advocates.
