FROM THE COMMANDER

Comrades and members of our Auxiliary, this is a truly wonderful time to be part of our great Department. I send my greetings to all and pray that everyone within our organizations remains well and their loved ones and friends remain safe and healthy. If you haven't heard it lately, I will say it; "TAKE CARE OF YOURSELVES". We are losing far too many Veterans and their family and friends needlessly. Get your check-ups and stay in the fight.

Again, I offer a prayer to all that are afflicted or have loved ones with pains or ailments, I pray for a speedy recovery for everyone.

We are off and running now. As your Commander, I see the great work being done. I've noticed our increase in community engagements and I'm loving our current status of public outreach. Special kudos go out to the Department Senior-Vice and Junior-Vice Commanders this time. Their hard work has and paying off within the respective fairs in their areas. I think the booths served a value for us and is a success. For those that haven't taken advantage of the recruiting drive credit that I offered, you still have an opportunity while the Tulsa State Fair is thriving. Contact our Senior-Vice Commander, Mike Merit to set up a day your post can get All-State credit.

As mentioned, our Junior-Vice Commander, Jim Bassett has just finished his stint with the OKC State Fair and the memorial runs for Tinker AFB and the 45th NG. Now is preparing for some "Yellow Ribbon" events as well as information booths at some sporting events. So please show your support by getting involved and participating in some of our planned events. Who knows, another support and participation credit might be offered; so, check your calendars so you don't miss out.

Regarding membership successes; I want to give public thanks to all that recruited over fifty (50) Veterans into our folds. Your excellence will be awarded and is greatly appreciated throughout our ranks. "Big Kudos" to you. Everyone else still have an opportunity. So, get out and start telling everyone else how great the organization can be if they were a part of it. Let them know that there are benefits for family and non-family members also. For October, the National C-in-C has issued a challenge: "For this month's Commander's Challenge, the top ten Posts in each Division with the highest increase in total membership percentage between October 1st and October 31st will be entered into a drawing for \$1000 to be deposited into the Post account!"

This is the time to push our Patriot Pen, Voice of Democracy and the new Auxiliary Patriotic Art programs. There's still time to engage the local schools and public if you haven't already. Remember the turn-in deadlines are the end of this month.

Commanders, as mentioned before; know what the VFW Oklahoma Foundation is for. Learn how you at the Post and District levels can support the foundation. Research and ask how you can help build our foundation so it can help local Veterans and their families and even

a post. Remember, donations by Post individuals (Comrades and Auxiliary) to the Oklahoma Foundation will count towards the Post **or** District requirement for All-State recognition provided that person specify whom they are supporting. I still encourage everyone to open your hearts and support the relief efforts of our foundation whether for credit or not. Let's remember what our core existence is. If you can't greet every Veteran you meet and be able to offer the right kind of assistance across the board, then what is your real purpose as a VFW?

I again ask you to emphasize the programs and benefits the VFW offers in all your meetings. Talk about the stock we put into giving to our Veterans, their families and the community. Foster support to all levels of our organization. Spread the knowledge throughout your community so they know what you have to offer so they can help support your post and us as a VFW organization. I also ask that you help ensure we hit all the gates in remaining successful and minimize our risk. If your Service Officer hasn't attended their required training, stop their actions and find other options until we can get them the required brief/training. Don't be the one that causes an undo legal issue for the Department. Let's get in front of this before the next set of monthly meetings.

The only way our organizations can get bigger and better is to become more diverse and remember our Veteran commitment. In remembering our commitment, I would like for us to show solidarity by not only supporting Veterans but also supporting those that support Veterans'. Remember what that relief fund is for. Know how and when to use it.

Now, since we have recharged, let's get moving on our membership drives and begin some teambuilding of ourselves. Fall-Fest at the Wyndham Hotel in OKC (Nov 1-3) will be our first progress check. We have planned for a great event. Something different and new to get you all to come and participate and enjoy. Just to be clear, I'm talking taking care of business, hospitality rooms, partying (relaxing) and the whole bit just like a family should. Plans are to have a tail-gate party that involves a chili cook-off and a karaoke (twisted off course). Hopefully we have a convention type turnout to show our presence within the state. So, don't miss out on a great VFW/ Auxiliary time. Prizes will be given. I might even have some surprise giveaways.

"From my seat, we have a great team of leaders and Comrades which will hopefully continue and show as "Our" Department achieves All-American honors."

Let's remain focused on making your Post, District and Our VFW the best in the nation. Let our focus remain VFW initiatives, programs and ideals not personalities and other things we can control.

As always; be safe, be fun and take care of the business of assisting and providing for those that are having issues as you can.

"ALWAYS A VETERAN, ALWAYS FOR A VETERAN"

FROM THE SR. VICE COMMANDER

Comrades,

Here we are already in October! From all I have heard, the Oklahoma State Fair went very well. As of this writing, we are four days into the Tulsa State Fair, and we are having a great success. Over 2000 poppies have been handed out, 197 active engagements about the VFW, 57 strong possible recruits, two new life members, 77 active engagements for VOD/PP and \$100 in donations. We still have seven days to go. It is really turning out to be a great event. A big shout-out to all the Posts and Auxiliaries that have lent a helping hand making sure the booths are filled. As all of you have seen by this point, National scrubbed the lifetime memberships of 88,000 members, so we have a lot to gain back. Keep getting out there pushing membership.

We are only thirty-one days away front the VOD/PP/TOY deadlines to have the entries to the Post. Now is the time to start following up with your schools to find out if they have or will have any entries and remind them of the deadline. I truly hope all of you have actively engaged the schools even more so than before. It would be great to have even more entries and a better possibility of seeing them receive the top prize at National. So, burn up those roads, cell towers and inboxes and keep at it promoting these great programs.

Legislatively, I am not going to go over too much. A legislative report/newsletter is in the works and will soon be sent out this month. If you would like to receive that newsletter, please contact me and I will add you to my distribution list. In short though, the Fall Legislative Conference was mixed on results due to extreme partisanship on both sides of the aisle. There are some actions in the works, and I hope to be able to let you know about them soon.

Fall Festival: We are in the final planning stages for Fall Fest. As before, we will be at the Wyndham Garden in Oklahoma City. We have some new events this year including a chili cook-off. Come ready to accomplish great things and have fun at the same time. Make sure to make your reservations now. I hope to see all of you there.

Oklahoma, you're doing great! Keep up the great work and make this year the best it can be!

Michael L. Merit

FROM THE JR. VICE COMMANDER

State Junior Vice Commander
Public Affairs
Veterans and Military Services Committee Chair
Jim Bassett

We have had a very busy month. The Oklahoma City fair was a success. The Tinker 911, POW/MIA Memorial Run was also a success. The Tulsa fair is underway. As part of the Oklahoma State Fair we recruited quite a few people. I will be visiting the post to hand over the new applications. We also had at least three post commanders and quartermasters reach their All State recruiting goals. In addition to recruiting for the VFW and Auxiliary, we emphasized the community aspect through Patriot Pen/Voice of Democracy, Teacher of the Year, Scouting and first responder recognition. I will be curious to see what impact that has on our programs this year.

I do want to thank all of the volunteers who helped staff the fair booth, both VFW and Auxiliary members.

Both Memorial runs were successful and the best part, we were sponsors for both of them.

I do have a request, I need your help. I'm looking for your events to add to our online shared calendar. These can be parades, fairs, or any public gathering. I need the event name, location, times, and a person to contact (if available). To view the calendar, go to <https://teamup.com/ksjfgock6aemi328ey>

FROM THE OKLAHOMA VFW FOUNDATION

OUR MISSION: The Oklahoma VFW Foundation, a 501(c)(3) non-profit organization, assists Oklahoma veterans and their families, promotes patriotic programs, provides relief for veterans and veterans support organizations, and provides educational scholarships.

After a very productive, full-day strategic planning session with the leadership of the Texas VFW Foundation, the Oklahoma VFW Foundation established its mission statement (above). Some of the guidance they provided was there is value in the philosophy of learning to walk before you run. Based on that, our Foundation plans to set up two to four programs that fit within that mission statement to focus on. With specific, defined programs with clear goals; fundraising for those programs will be much easier because we can clearly answer the question "what will you do with the money we donate or grant you for this program?" We can then use the record and success of those programs as a building block for future larger programs and grants.

Currently, the Foundation Board is brainstorming program ideas with each Board Member being asked to provide basic program ideas they think the Foundation should use as a starting point. The hope is to have a list of 20-25 various programs that the Board can then discuss in detail and narrow down into two to four that we think that we can do and do well based on our

staffing and resources. If you have a possible program you would like to see the Foundation consider, please feel free to email me at okvfwfoundation@outlook.com and I will add it to the list of programs that the Board will discuss.

As always, if your Post or District (or Auxiliary) is working on a grant and the donor will only work with a 501(c)(3), contact us as we can help by being the conduit for that grant. Also, if you are aware of a grant but are not sure how to apply, contact us as we can help with the application process as many of our Board members have experience in grant applications. Finally, have you (and your auxiliary) applied for the \$1,000 community service grant that is available from the National VFW Foundation? If not, why not? The application is by far one of the easiest that there are.
