FROM THE COMMANDER

Comrades and members of our Auxiliary, I hope all had a very joyous Thanksgiving and hope your Christmas and New Year is just as joyous and prosperous. I'm so thankful for being a part of this great organization and team. I'm equally thankful for all the team does and strives to do. I sound off again by saying "we are truly blessed as a Department that has such wonderful people and great times together". I send my greetings to all and pray that everyone within our organizations remains well and their loved ones and friends remain safe and healthy during the holiday season and throughout our time together. "TAKE CARE OF YOURSELVES AND EACH OTHER". We need you all.

Again, I offer a prayer to all that are afflicted or have loved ones with pains or ailments, I pray for speedy recoveries for all.

We are coming up on our "halftime" which means got to go into the new calendar year with maintaining momentum and keeping pace. Habitually, this has been the time where we drop off our push for membership; let's change that this year. I as all post to use this time of the year to get more members and give awareness of your presence by conducting membership and "Buddy Poppy" drives throughout your communities. Have a station set up as you perform your great community interaction events. As I visited some posts over the Thanksgiving weekend, I noticed the excellent interaction but no VFW/VFWA information being distributed. At a couple of posts, I was the only one in VFW headgear or identified as VFW. We are doing the work so let's sell ourselves with all that free advertisement so our guest will begin identifying and ask about us. The smiles I seen were priceless.

Hopefully your post participated in the National Commander-in-Chief's October and November membership challenges. I hope the \$1000 offered can come to all our posts, I know of at least one post in Oklahoma that is due to receive the stiffen with meeting the challenge. We all can do it!

Patriot's Pen, Voice of Democracy, Teacher of the Year and the Patriotic Art programs are in full swing. Hopefully we had maximum participation from all. Now is the time to sift through and find ways to award as many participants as we can. Hope the National "buy out" program was minimally used and not substituted for providing these students and opportunity to excel. So, now let's show these student's greatness and determine some Oklahoma Best.

As briefed by our Junior-Vice Commander, Jim Bassett, we have had and are constantly showing some great Department sponsored and post community engagement events. Now is definitely the time to get with the units and discuss the MAP program as well as identify potential unmet needs candidates. However, remember the programs put out just as much as we put in so don't forget your donations to these programs.

Commanders, as mentioned before; know what the VFW Oklahoma Foundation is for. Learn how you at the Post and District levels can support the foundation. Research and ask how you can help build our foundation so it can help local Veterans and their families and even a post. Remember, donations by Post individuals (Comrades and Auxiliary) to the Oklahoma

Foundation will count towards the Post **or** District requirement for All-State recognition provided that person specify whom they are supporting. I still encourage everyone to open your hearts and support the relief efforts of our foundation whether for credit or not. Let's remember what our core existence is. If you can't greet every Veteran you meet and be able to offer the right kind of assistance across the board, then what is your real purpose as a VFW?

I again ask you to emphasize the programs and benefits the VFW offers in all your meetings. Talk about the stock we put into giving to our Veterans, their families and the community. VFW half-time is approaching. As other teams go into the locker room to take a break, we are looking to do what the champions do; take a sip of water or bubbly and the return to the field with more vigor and an adjusted plan for success. Comrades, I'll tell you now we have the lead as we approach the break. We just can't get complacent and must continue strive. The second half determines what "bowl game" we'll be in at the end of the season.

Remember, support those that support you. Our Veteran's strength is only as strong as we make it. Kudos to those that help to build a Veterans' home in the Enid area as well as those that provide assistance and support to the families of the service personnel affected by the downed aircraft also in that area. Those events show that we don't have to lead in every quest, our support to the quest is just as important. Thanks for all you have done.

By supporting those that support Veterans'. Remember what your relief fund is for. Know how and when to use it. Buddy Poppies and boards are in. The boards are a great fundraising tool throughout the holiday season. Contact the Department Quartermaster, Curt Watts for yours.

Our Fall-Festival at the Wyndham Hotel in OKC (Nov 1-3) was a success. I commend all that took time and listened to the myriad of guess we had present. The National candidates came with different messages, but all had a common theme; growth of the VFW. During our end of year conference, we'll be asked who were going to endorse as a Department. You vote matters, so take heed to the messages that were presented.

As far as hotel issues. Yes, there were and are some communication and coordination snafus. We are handling those during our break in meetings. As many that were there saw, the hotel was also dealing with a new staff of leaders. With all said, everyone will be ready to execute by our Mid-Winter Conference in February (Valentine' Weekend). So, get ready for the "Pink N Red" event. As always plan for a great event. A little different and little new to get interest and participation. Like we say, it's about us taking care of business with hopefully some hospitality rooms, some relaxing and socializing just like a family should. There might even some surprise giveaways like before.

Let's remain focused on making your Post, District and Our VFW the best in the nation. Let our focus remain VFW initiatives, programs and ideals not personalities and other things we can control.

As always; be safe, be fun and take care of the business of assisting and providing for those that are having issues as you can. For all that need it.....GET WELL SOON!!

FROM THE SR. VICE COMMANDER

Comrades,

First, I hope everyone had a wonderful and safe Thanksgiving! Christmas is just around the corner so please make sure to be with the ones you love and check in on those you haven't heard from in a while. This is that time of year when we lose more of our comrades than any other point. Sometimes just reaching out and saying hello brings them back from the brink. So, please, take the time to make a phone call or two.

The latest estimates for our VOD/PP/TOY looks like we have doubled the total number of entries for the Department, so way to go everyone! I notified all of the District Commanders that the deadline to have all the entries sent to State Headquarters is December 31st. Please notice I said the State Headquarters. Please do not send them to my personal address. Judging will take place at Oklahoma State University in Stillwater on January 11th, 2019 at 1pm in the Student Union. I will be entering all of the Post and District participation into the All American Dashboard as soon as I receive all of the packets. I can't wait to see who our winners are going to be!

At the end of November, I sent a letter to every one of our State Representatives and Senators concerning our VFW and Auxiliary specialty license plates. Each of those letters contained a copy of both pieces of legislation. These are the only two pieces we will be pushing this year. However, now is the time. We have to have it picked up by someone in both chambers before the 15th of this month. So, I strongly urge each and every one of you to contact them and encourage them to sponsor our bills. If you would like a copy of the bills or would like information on how to contact the legislature, please do not hesitate to contact me and I will provide that to you.

Finally, as this calendar year draws to a close, I want to thank each and every one of you for the effort you have made thus far. We only have seven more months to go in this business year, so please keep up the great work! We still have a long way to go on membership, but I know we all, as a team, will cross that finish line. Merry Christmas and please have a safe and Happy New Year!

Tis the season to give!

No, I haven't lost my mind, well maybe I have, but it is the time to give. We are entering the holiday seasons. A lot of organizations are already advertising on TV and radio asking you for your money. I'm asking for you to give to an organization that has helped numerous veterans and military members and their families' right here in Oklahoma. Veterans and Military Services (VMS). VMS is the organization that donates money for MAP grants, Unmet Needs, Help-A-Hero Scholarship, and disaster relief. VMS has supported this state with a large amount of money to help us host Adopt-A-Unit and MAP grant events. If you would like to donate to them, please follow this link:

https://vfwprograms.formstack.com/forms/vfw_programs_donation

By the way, did I mention that VMS is part of the Veterans of Foreign Wars?

I do have a request, I need your help. I'm looking for your events to add to our online shared calendar. These can be parades, fairs, or any public gathering. I need the event name, location, times, and a person to contact (if available). To view the calendar, go to <https://teamup.com/ksjfgock6aemi328ey>

Mid-Winter is our next state event. Please keep up with the news in the General Orders as there is a lot of good information.

Upcoming Volunteer Opportunities and Events:

FROM THE OKLAHOMA VFW FOUNDATION

OUR MISSION: The Oklahoma VFW Foundation, a 501(c)(3) non-profit organization, assists Oklahoma veterans and their families, promotes patriotic programs, provides relief for veterans and veteran support organizations, and provides educational scholarships.

Comrades,

As Thanksgiving has now passed, the holiday season is upon us. It seems that we are all bombarded for requests for money from various charities whether it be phone calls, emails, or through “snail mail”. There is a reason for that, this is the season of giving. In addition, people start thinking about their annual taxes and often wait until the end of the calendar year to get those tax-deductible donations done. Therefore, I would be remiss if I didn’t ask that as you are considering which charities are worthy of your giving spirit, that you consider the Oklahoma VFW Foundation.

We are currently offering thank you gifts for your donations including t-shirts, sweatshirts, hats or duffle bags with a very nice “Oklahoma Veteran” logo on them. We had these items at the Fall Fest and will bring them to Mid-Winter as well. You can also receive them for making a donation through our website (www.okvfwfoundation.org), information on this is available on our Facebook page. I even did a video showing the items.

We are looking to rolling out our FOUNDING DONOR program shortly, watch the General Orders, the Foundation website and our Facebook page for more information on that.

From all of us at the Oklahoma Veterans of Foreign Wars Foundation, we wish you a Merry Christmas, Happy Hanukah, Happy Holidays and give you all of our best for the upcoming New Year!!

FROM THE STATE CHAPLAIN

There will be a Chaplains Workshop hosted by Post 4876 on January 8th, 2020, at 5pm. This is for all Post and District Chaplains.

The purpose of this workshop is to help revitalize the Chaplaincy as a whole and raise the standards this position. It is vital that we are all on the same page with the same mission in mind. Helping each other stay focused and accomplishing the mission is our priority.

I would also like to have a Post be able to host a Chaplains Workshop on the East side of the State so that others can attend and not have to travel as far. Please consider sending your Chaplain to this Workshop and help spread the word so that we can move forward to better ourselves as a whole.

God Bless each of you and Thank you!

Of the 242 Commander-in-Chief-directed Post suspension orders issued on July 2, 2019, for failure to submit an election report by July 1, 2019, there are currently 21 Posts still under suspension and an additional 30 Posts under suspension for reasons other than failing to submit an election report, for a total of 51 Posts under suspension. For each qualifying purchase, Amazon will donate 0.5% of the product price to the VFW Foundation. The VFW Foundation will benefit every time you shop on Amazon.com. Contact: VFW Foundation Administrator Richard Potter, RPotter@vfw.org. **Thoughts on Problem Solving** Every level of our great organization from Post thru National Headquarters is confronted with problems of one sort or another. Here are a few ideas to make problem solving easier and more effective: (Actually write down these areas and keep notes on your actions.) 1. Define the problem: Exactly what is happening?? 2. Gather information about the problem. (Who? What?, When?, Where?, Why?) 3. List possible solutions (do some brainstorming). 4. Test your possible solutions. 5. Select the best possible solution, and finally: 6. Take action(s) and then "follow up" to see if the problem has been resolved or at least improved. 7. Repeat this process until leadership and members are satisfied with the outcome. Never forget that the next higher level of the VFW is there to support and advise at any time. Oh yes, who does National Hq go to when problem solving? The Council of Administration (COA). And who does the COA go to???? The MEMBERSHIP I hope everyone had a great Thanksgiving! And best wishes for December's holidays and a safe and prosperous New Year

FROM THE STATE SCOUTING CHAIRMAN

Comrades,

I know we are still doing District judging for many of our programs such as Patriots Pen, Voice of Democracy and Teacher of the Year; and I know that the first responder deadlines are quickly approaching. However, I want to make sure that all Post leaders are aware that the Scout of the Year program deadlines are coming up sooner than you think. Scout of the Year applications are due to your Posts by March 1st, and the Post winners need to be Department by April 1st. Your Post entries can be sent to Department Headquarters to my attention.

We have made it easier than ever to get the information you need to the local Boy Scout, Girl Scout, Venture Scout or Sea Scout unit near your Post. Go to the new and improved Department of Oklahoma VFW Website (www.vfwoklahoma.org), and under the PROGRAMS tab at the top of the page, go the Scout section. All the information you need on the Scout of the Year program can be found on this page, including the application form. You can contact your local scouting units and tell them about the website so they can get all the information needed. Please remember, that a Scout can only be sponsored by one Post, and Posts can only submit one nominee to Department.

Even though Scout nominations go straight to the Department, I wish to challenge every District to encourage their Posts to work with their local scouting groups. I will personally award the District from which the most Scout nominations come from \$100.00 and will create a travelling award for the “Scouting District of Oklahoma”, provided the winning District had 2 or more nominations!

We Shall Keep the Faith

by Moina Michael

Oh! you who sleep in Flanders Fields,
Sleep sweet - to rise anew!
We caught the torch you threw
And holding high, we keep the Faith
With All who died.

We cherish, too, the poppy red
That grows on fields where valor led;
It seems to signal to the skies
That blood of heroes never dies,
But lends a lustre to the red
Of the flower that blooms above the dead
In Flanders Fields.

And now the Torch and Poppy Red
We wear in honor of our dead.
Fear not that ye have died for naught;
We'll teach the lesson that ye wrought
In Flanders Fields.
